

### Children's and Infant's Ministries

The Children's Ministry seeks to minister to and equip each child with Bible based, age appropriate learning experiences. Through relevant lessons, opportunities in music and the arts, and service and mission projects, we desire to create an environment in which kids can grow in their relationship with Jesus and each other. We offer Sunday school classes for children three years old through eighth grades as well as special events for fun, fellowship and service. Our Infant Ministry provides love and nurturing for our tiniest ones, from new born to three years of age.
