

## REVIVAL BOOTCAMP – WEEK 3

### Healing

#### *Scripture*

**Isaiah 53:4-5:** Surely he took up our pain and bore our suffering, yet we considered him punished by God, stricken by him, and afflicted. <sup>5</sup> But he was pierced for our transgressions, he was crushed for our iniquities; the punishment that brought us peace was on him, and by his wounds we are healed.

**Psalms 103:2-3:** Praise the Lord, my soul, and forget not all his benefits— <sup>3</sup> who forgives all your sins and heals all your diseases,

**Matthew 4:23-24:** Jesus went throughout Galilee, teaching in their synagogues, proclaiming the good news of the kingdom, and healing every disease and sickness among the people. <sup>24</sup> News about him spread all over Syria, and people brought to him all who were ill with various diseases, those suffering severe pain, the demon-possessed, those having seizures, and the paralyzed; and he healed them.

**Matthew 10:1:** Jesus called his twelve disciples to him and gave them authority to drive out impure spirits and to heal every disease and sickness.

**1 Corinthians 12:7-9:** Now to each one the manifestation of the Spirit is given for the common good. <sup>8</sup> To one there is given through the Spirit a message of wisdom, to another a message of knowledge by means of the same Spirit, <sup>9</sup> to another faith by the same Spirit, to another gifts of healing by that one Spirit,

**James 5:14-15:** Is anyone among you sick? Let them call the elders of the church to pray over them and anoint them with oil in the name of the Lord. <sup>15</sup> And the prayer offered in faith will make the sick person well; the Lord will raise them up. If they have sinned, they will be forgiven.

#### *Five Steps to Healing Prayer (see handout)*

1. The Interview
2. The Diagnosis
3. Prayer Selection
4. Prayer Engagement
5. Post-Prayer Direction

# The 5 Step Healing Model

## Step 1: The Interview

Introduce yourself then ask where does it hurt or what would you like me to pray for?

- Natural level – what can you see?
- Supernatural – ask God for Words of Knowledge, discernment, visions, words;
- It's not a medical interview- get the facts;
- Move to the next stage when ready.

## Step 2: The Diagnosis

Why do they have this condition?

- Natural causes – disease, accident;
- Sin – committed by them or against them;
- Emotional hurts causing physical or other pain;
- Relationship problems – lack of forgiveness;
- Supernatural – may be demonic;
- Keep asking for God's help – it may be useful to pray in tongues;
- Ask them questions if appropriate.

## Step 3: Prayer Selection

What kind of prayer shall I pray to help this person?

- Check if it is ok to lay hands on them;
- Ask the Holy Spirit to come and minister to the person;
- Ask for God to heal;
- Keep praying in the Spirit;
- Command of faith Acts 3:6;
- Pronouncement – of faith John 4:50;
- Demonic – rebuke (break their power) bind them (contain) expel (get rid).

## Step 4: Prayer engagement

How are you doing?

- Keep your eyes open and watch for the effects – Phenomenological signs (warmth, tingling, shaking etc);
- Ask questions – find out what God is doing;
- Stop when – they think it's all over; the Spirit tells you it's over; you've run out of things to pray; when it's going nowhere;
- Remove your hands, talk to them to indicate you are stopping.

## Step 5: Post prayer direction

What should they do to keep their healing? i.e. 'Stop sinning' - John 5:14

- Read their Bibles, spend time with God;
- Get involved or keep involved in the local church;
- Check with their doctor.
