Church of the Messiah

Chris Woodland
Senior Warden

My wife and I have been members of Messiah since the beginning, meeting in Tom-Dick and Shirley Moore's town house with Jack and Jane Burton and a few other families. I was a reluctant Baptist preacher's son and Jo Ann was a life-long Episcopalian, but God knew where we should be.

It was an exciting time seeing

God work then and it's an ex-citing time now as He continues to work in and through the Church of Messiah.

I've seen God's power throughout my life in a very personal way and the prayers and support of the people at Messiah has been and continues to be a blessing. It is a privilege serving on the Eucharistic ministry team, the prayer team, reading God's word to the church family on Sundays, and once again on Church of the Messiah's Vestry.
