Church of the Messiah

Bob Greeley
Sexton

The ancient meaning of the word "Sexton" is "keeper of sacred spaces." As Messiah's Sexton, Bob maintains the physical building, keeping it clean and in good repair.

Born and raised in Southern California, Bob moved to Virginia Beach with his wife, Alicia, and daughter, Sarah, in 2007. He has worked as a home inspector for 15 years.

Bob and family have been members of Messiah since 2007. In addition to his role as Sexton, Bob has served on the Vestry as Junior Warden.

Bob also "sextons" at home, making fixes and improvements to the Greeley house. He enjoys music, trains, and spending time with his family.
